

**Remarks:**

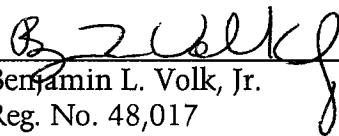

At the time of the Restriction Requirement, the pending claims in the application were claims 1-44. The February 3, 2010 Restriction Requirement restricted the claims into two groups as reproduced below from the Restriction Requirement:

- I. Claims 1 – 23, drawn to Streaming encrypted data, classified in class 380, subclass 239.
- II. Claim 24 – 44, drawn to Streaming compressed data, classified in class 380, subclass 269.

Applicant hereby elects the claims of Group I (claims 1-23) for further prosecution in this application. By this response, Applicant has canceled the other claims within Group II. The pending claims are now claims 1-23. Applicant reserves the right to file one or more divisional applications to pursue the claims of the non-elected claim group.

A speedy and favorable action is respectfully requested.

Respectfully submitted,
